Director's Report - 11/21/2024

Construction Update

Final inspections are delayed until the arrival and installation of the tampon dispensers for the 3 new restrooms. Tile finishing touches were completed in the bathrooms last week. TV monitors were installed in both the staff and public meeting spaces at the beginning of the month. I met with a representative of Library Designs to get us quotes on tables for the meeting spaces.

Technical Services Remodel

The Technical Services staff area has been reconfigured to better meet the department's needs. The desks are now adjacent and identically to one another, giving them a more efficient work space and more opportunity for collaboration.

New Page, Jesse Mitchell

I'm happy to welcome Jesse Mitchell to the FADL team as a page. Jessie works full-time at the Huntington Woods Library and will be working evenings and weekends for us.

Annual Financial Audit Underway

For the last 2 or 3 weeks, I've been working with our accountants at Maner Consterisan to gather the documents needed for our annual financial audit, which began this week. Our auditors, Gabridge and Co., will remote into December's meeting to present that audit to the board.

Staff Performance Evaluations

Staff evaluations have been completed for over 30 employees. As a reminder, this process usually took place in May and June because wages used to be tied to performance, but with summer reading this was always bad timing. We'll be doing performance evaluations and goal setting in the fall going forward.

Good Roof Report

We do quarterly inspection of the roof with Wm Molnar Roofing – There most recent inspection anticipates that we have at least 10 years left on our roof.

Ferndale Area District Library Board of Directors Request for Action

From: Jordan Wright, Library Director

Subject: Upgrading FADL's Security System

Summary and Background:

FADL's current security system is reliant on 20+ motion sensors around the building. Unfortunately, these sensors are battery powered, and when the battery runs low it often sends a false alarm to Guardian Alarm. This happens on a weekly basis. In this packet are two quotes for hardwiring new sensors and a new, modern alarm panel from Verkada and Guardian Alarm, our current providor. Both quotes also include an app-based alarm system that managers could disarm, arm, or dismiss remotely. Both quotes include new panic buttons at each service desk that would immediately connect with Ferndale Police if there was an emergency. The finance committee has reviewed both quotes.

Recommended Action:

Moved by ,Seconded by , to approve the alarm system upgrade quote from Guardian Alarm in the total of \$7,840.

COMPANY DOES NOT REPRESENT OR WARRANT THAT THE SYSTEM MAY NOT BE COMPROMISED OR CIRCUMVENTED; THAT THE SYSTEM WILL PREVENT OR DETECT ALL LOSS BY INTRUSION, HOLD-UP, FIRE OR OTHERWISE; OR THAT THE SYSTEM WILL IN ALL CASES PROVIDE THE PROTECTION FOR WHICH IT IS INSTALLED OR INTENDED. - 5. DESIGNATED AGENTS. Customer shall furnish to Company a list of the names and contact information for any and all designated agents who you authorize Company to contact in the event of a signal or emergency and who have authority to hold Customer's passcodes allowing entry to the Premises between the regularly scheduled time for closing and opening of the Premises and who may be called upon for a key to enter the Premises during such periods. Customer represents to Company that each designated agent has expressly authorized Customer to provide their phone number, email address or other contact information for purposes of notification relating to the Services and that Company is authorized by such designated agent to use any method of notification, including telephone calls, automatic telephone dialing systems, or text or email messages relating to the Services. Customer shall immediately notify Company, in writing, of any changes in said list.
- 6. CUSTOMER OBLIGATIONS. Customer is solely responsible for the testing of the System. If Customer determines that the System is in need of repair, Customer must promptly notify Company in writing. Customer agrees not to move, alter, damage, encumber, interfere, or tamper with the System or attach or connect any equipment or device to the System without obtaining Company's prior written consent. Customer agrees not to permit anyone other than authorized agents of Company to repair the System. Customer shall comply with all applicable laws when using any Services, including but not limited to (a) any privacy laws or regulations relating to the recording or sharing of video or audio content, (b) any laws or regulations requiring that notice be given to or that consent be obtained from third parties with respect to use of the Services (for example, laws or regulations requiring you to display appropriate signage advising others that audio/visual recording is taking place), (c) any laws or regulations requiring you to install your devices so they do not take visual and/or audio recordings beyond the boundary of the Premises (including public pavements or roads). Company may terminate this Agreement or any Services if Customer, in Company's sole determination, breaches any of the foregoing obligations.
- ERRORS IN INSTALLATION. Any error or omission in construction or installation of the System must be called to the attention of Company in writing within
 ninety (90) days after completion of the installation. Upon the expiration of said ninety (90) day period, the installation shall be considered accepted by
 Customer.
- 8. LIMITED WARRANTY. If any part of the System proves to be defective in material or workmanship within ninety (90) days of the date of completion of installation, such part will either be repaired or replaced at Company's option at no charge to Customer. Customer must notify Company of any problem that Customer claims is covered by this limited warranty within the warranty period. Company reserves the right to substitute materials of equal quality at the time of replacement in performing its obligations under this limited warranty. Customer acknowledges that Company is not the manufacturer of the System, or of any equipment or components attached thereto, and other than this limited warranty Customer shall look exclusively to the manufacturer of the System or attached equipment or components for repairs under such manufacturer's warranty coverage. This limited warranty does not apply to the conditions listed below. In the event Customer contacts Company for service under this warranty and, upon inspection by Company's representative, it is found that one of these conditions has led to the inoperability of the System, a charge will be made for the service call whether or not a representative of Company actually works on the System. Should it be necessary to make repairs to the System due to one of the conditions not covered by warranty, a charge will be made for such work at Company's then-applicable rates for labor and material. Conditions Not Covered by Limited Warranty: (a) Damage resulting from accidents, acts of God, alteration, misuse, tampering and abuse. (b) Failure of Customer to properly close or secure a door, window or other point protected by an alarm device. - 9. MAINTENANCE AGREEMENT. If Customer has elected the Maintenance Plan option, the Services shall include certain maintenance service by Company for the System. Such maintenance service shall include the labor and materials required to repair the System or any parts thereof which have become defective through normal wear and tear and usage, except for the "Conditions Not Covered by Limited Warranty" listed above. Trip charges may apply. It is understood and agreed that Company's obligation to repair relates solely to the System, and that Company is in no way obligated to repair, service, or replace any equipment or devices not installed by Company. If not contracted for before the expiration of the limited warranty set forth above, Company will enter into a service agreement and/or maintenance plan only after inspecting the System and making any necessary repairs or replacements to the System at a charge to Customer for labor and/or parts at Company's prevailing rates.
- 10. TIME AND MATERIALS SERVICE. If Customer has not elected the Maintenance Plan option, then all repairs, replacements or alterations to the System shall be at Customer's expense following the expiration of the limited warranty described in Paragraph 8. Company will provide Customer with repair and/or parts replacement for repair of the System at Company's prevailing rates and trip charges may also apply.
- 11. REPAIR OF SYSTEM/OPPORTUNITY TO CURE. Customer agrees to notify Company of any failure to make required repair(s) to the System (and confirm in writing not later than seven (7) days from said failure). Company shall have a reasonable time from receipt of said notice to make required repair(s) to the System. Customer shall be deemed to have waived any claim, defense, cause of action, or any right of nonperformance for any failure on Customer's part to provide any notice within the time limits and in the manner required under this paragraph. You agree that you shall not be excused from performance under this Agreement as a result of Company's shortage of parts or labor for any reason.
- 12. SIGNAL RECEIVING AND NOTIFICATION SERVICE. Upon receipt of a signal from the System, and unless directed otherwise by Customer, Company will do the following: (a) Upon receipt of an intrusion signal, Company will first attempt to notify Customer or their designated agent by phone. In the event Company is unable to notify Customer or their designated agent by phone, Company will then attempt to notify the local police authority by phone. If "Guard Response" has been purchased and Customer has provided Company with a key to the Premises, a representative of Company may enter and search the Premises and take such additional actions as may be reasonable under the circumstances. (b) Upon receipt of a fire alarm signal, Company will first attempt to notify the local police authority by phone.
- 13. SERVICE CALLS. In the event Customer requests that Company make any service call caused by the inadvertence or negligence of Customer, Customer agrees to pay Company's prevailing rate for each such service call, including but not limited to trip charges. In the event Customer shall cause an excessive number of service calls due to the inadvertence or negligence of Customer, or in the event Customer shall in any manner misuse or abuse the System, Company may terminate this Agreement by giving ten (10) days' notice to Customer in writing. Company's termination of this Agreement will not affect Company's right to recover damages from Customer as provided under this Agreement. In the event a fine, penalty or fee shall be assessed against Company by any governmental or municipal agency as a result of any alarm originating from the premises of Customer, Customer agrees to reimburse Company for payment of said false alarm fine, penalty or fee.

- 14. FALSE ALARMS; FINES. In the event a fine, penalty or fee shall be assessed against Company by any governmental or municipal agency as a result of any alarm originating from the Premises, Customer agrees to reimburse Company for payment of said false alarm fine, penalty or fee. Notwithstanding anything to the contrary, Customer agrees Company is not responsible to pay any false alarm charge assessed against Customer, nor shall any false alarm, irrespective of cause, excuse Customer from any performance under this Agreement. Customer is solely responsible for obtaining all necessary permits and shall indemnify and/or reimburse Company for any fines charged to Company in relation to permits or false alarms affecting the Premises. If Company is required by law to perform any Service or furnish any material not expressly referred to in this Agreement, Customer agrees to pay Company, at Company's prevailing rates, for such Service or material.
- 15. PAYMENT AND DEFAULT. Customer agrees to timely pay all invoices rendered by Company. In the event of any default on the part of Customer, including the failure to make any payment as agreed herein, 75% of the amounts due for the unexpired term of this Agreement shall become immediately due and payable as liquidated damages and not as a penalty. In addition, Customer acknowledges Company may review Customer's credit pursuant to 15 USC § 1681b(a)(3)(A) and/or (F). Customer further agrees to pay to Company all sums to which Company may be entitled under the law by virtue of said default. Removal of the System or equipment as set forth above shall not constitute a breach by Company of this Agreement or a waiver by Company to any such damages. If Company institutes suit for collection, Customer agrees to pay Company's reasonable attorney fees and costs. If Company elects to reinstate service(s) to Customer, such reinstatement shall be done in accordance with Company's "reinstatement policy," which shall be available to Customer upon request or by accessing Company's customer portal.
- 16. DAMAGE TO CUSTOMER'S PREMISES. In the event the Premises are destroyed or damaged, or Customer moves or goes out of business, Customer shall not be relieved of Customer obligations under this Agreement.
- 17. SUBROGATION. Customer does hereby for itself and any parties claiming under it, release and discharge Company from and against all hazards covered by Customer's insurance. Customer, on behalf of itself and its insurance carrier, hereby waives any rights of subrogation that Customer's insurance carrier may have against Company arising out of this Agreement or the relation of the parties hereto.
- 18. DESTRUCTION OF COMPANY'S FACILITY. This Agreement may be suspended without notice at the option of Company in the event Company's monitoring station or other equipment is destroyed or is so substantially damaged that it is impractical to continue any Services, or in the event that Company is unable to secure or retain the connections or privileges necessary for the transmission of signals between the System and Company's monitoring station or between Company's monitoring station and the public police and fire departments for any reason whatsoever. In the event of such suspension or termination, Company shall not be liable to Customer or subject to any penalty as a result of such termination.
- 19. THIRD-PARTY INDEMNIFICATION. Customer agrees to and shall indemnify and save harmless Company, for and against all third-party claims, lawsuits and losses alleged to be caused by Company's performance, negligent performance or failure to perform its obligation under this Agreement.
- 20. THIRD-PARTY BENEFICIARIES, There are no third-party beneficiaries to this Agreement other than expressly provided for suppliers and manufacturers of the products used by Company.
- 21. ACTIONS AGAINST COMPANY. Any action or claim by Customer against Company must be commenced within one (1) year of the accrual of the cause of action/claim or said action/claim shall be barred. The provisions of this Agreement that apply to any claim will remain in effect following any termination of this Agreement.
- 22. INVALID PROVISIONS. In the event any of the terms or provisions of this Agreement shall be invalid or inoperative, all of the remaining terms and provisions shall remain in full force and effect.
- 23. FORCE MAJEURE. Company assumes no liability for delay in the installation of the System or other equipment, or for interruption of monitoring or other service due to strikes, riots, floods, storms, earthquakes, fires, power failures, insurrection, interruption of or unavailability of Delivery Systems, pandemics, epidemics, natural disasters, cyberattacks, acts of God or any force majeure or other cause beyond the control of Company, and will not be required to supply monitoring or other Services to Customer while interruption of Services due to any such cause shall continue.
- 24. ASSIGNMENT. Company shall have the right to assign or subcontract this Agreement, in whole or in part, without notice to Customer, and thereafter shall be relieved of all obligations so assigned or subcontracted. Anyone to whom Company assigns or subcontracts its obligations shall have all of Company's rights hereunder with respect to such obligations. This Agreement may not be assigned by Customer.
- 25. TERM. This Agreement is for an initial term of five (5) years. This Agreement shall renew after the initial five (5) year term for a like term and for successive periods of like terms upon the same terms and conditions, unless either party hereto gives notice of its intention not to renew this Agreement at least thirty (30) days prior to the expiration of the then-current term.
- 26. CANCELLATION, Customer may cancel this Agreement in writing by providing Company with at least thirty (30) days' notice of its intent to cancel prior to the end of the then-current term. If Customer attempts to cancel this Agreement as of a date prior to the last day of the current term or attempts to cancel less than thirty (30) days prior to the end of the current term, then Customer will be in default and the remedies under Paragraph 15 shall apply. Company may suspend or cancel this Agreement at any time in its sole discretion with thirty (30) days' notice to Customer.
- 27. COSTS. Company shall have the right to increase or decrease its rates for any Services provided under this Agreement at any time or times after the expiration of one (1) year from the date such System is operative under this Agreement, with the understanding that the increase will not exceed the lesser of (a) 10% per year, or (b) the highest rate permitted by applicable law. Customer hereby agrees to pay all taxes which may be levied on the installation and service charges, to pay an additional fee of 1.5% per month on all charges that remain unpaid after thirty (30) days and, in addition to any other remedies provided by law or under this Agreement, to pay Company's current charge for non-sufficient fund checks, stop payment checks, or checks issued pursuant to closed accounts. Customer shall furnish all necessary phone lines and electrical currents and outlets at Customer's expense. The charges set forth herein are based upon existing federal, state and local taxes and utility charges, including telephone company line charges. Company shall have the right to increase the monthly charge to reflect any additional taxes, fees or charges which may hereafter be imposed by any utility or governmental agency relating to the Services and Customer agrees to pay the same. Company shall notify Customer of any increase in charges as provided for herein through a change in Customer's invoice for upcoming Service. Customer agrees that such form of notice is proper and sufficient.
- 28. COMMUNICATION LINE. Company relies on third-party software, cellular network coverage, phone lines, and/or internet technology or VOIP, for the System to operate properly ("Delivery Systems"). Customer acknowledges there are risks and limitations inherent in the Delivery Systems, including interruptions or inabilities to connect, and signals cannot be transmitted to Company and/or its monitoring station if the Delivery Systems are inoperable for any reason. If Company is providing a connection from the System to an open port to the internet on Customer's network, Company will communicate port requirements to

Customer shall not permit the attachment of any equipment or device not furnished by Company. In the event of any loss or damage to the System, for any reason whatsoever, then Customer agrees to pay to Company a sum equal to the replacement value of the System or damaged portion thereof, as applicable. In addition, upon the expiration or termination of this Agreement for any reason, Customer authorizes Company and does hereby consent to Company entering the Premises or any other premises where the property of Company may be located, for the purpose of removing the System. Removal of the System shall not constitute a breach or waiver of Company's rights under this Agreement, nor a waiver of any rights to damages which Company may be entitled by law, nor subject Company to liability for any damage which may be caused to the Premises as a result of the installation or removal of the System. (b) If Customer has elected to purchase the System, Customer agrees to pay Company for the System and any related equipment, and the installation of same, prior to completion of installation of the System and in accordance with the terms and conditions of this Agreement. Customer agrees that title to and ownership of the System, all component parts, and any related equipment, shall remain the sole and exclusive property of Company until Customer has paid in full, and Customer shall bear the entire risk of loss to the System until that time and subsequently thereafter upon transfer of ownership. If Customer fails to pay the amount specified for the purchase of the System, then Customer authorizes Company to enter into the Premises and remove the System, which shall not constitute a breach or waiver of Company's rights under this Agreement, nor a waiver of any rights to damages which Company may be entitled by law, nor subject Company to liability for any

- 34. LIENS. Company, or any subcontractor engaged by Company to perform an obligation pursuant to the terms of this Agreement, who is not paid, may have a claim against Customer, or the owner of the Premises if other than Customer, which may be enforced against the location of the Premises in accordance with applicable lien laws.
- 35. CONSENT TO RECORDING AND SHARING OF COMMUNICATIONS. Customer agrees that Company can record and use all telephone, audio, electronic and other forms of communication with anyone at the Premises in the normal course of Company's business. To the fullest extent permitted by applicable law, for yourself, on behalf of your designated agents, and on behalf of any other parties who are present at the Premises at any time, you hereby consent to Company recording, accessing, reviewing, copying, disclosing, and using, for purposes of providing the Services, the contents of all communications with your designated agents and any emergency authorities. Company may also share such information with law enforcement, government officials, and/or other third parties if legally required to do so or if Company has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with applicable law, regulation, legal process or reasonable preservation request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud, technical, or service related issues; or (d) protect the rights, property or safety of Company, its users, a third party, or the public as required or permitted by law.

Our Privacy Policy, as updated by us from time to time, is incorporated into and is part of this Agreement.
- 37. MISCELLANEOUS. This Agreement contains the entire understanding between Customer and Company and replaces any other documents or discussions Company previously had with Customer. This Agreement is not binding on Company until Company or its authorized agent signs it or Company begins installation or other Services. Electronic signatures are binding on the parties. If Company does not approve this Agreement, Company's only obligation is to refund any payments Customer has made. Any equipment or Services Company provides to Customer in the future are subject to the terms of this Agreement, as so amended. This Agreement cannot be changed except by a writing that both Customer and Company sign; provided, however, that Company may from time to time unlitaterally update or modify the Privacy Policy, the scope of Services, and any other terms and conditions herein to comply with applicable law. To the Board of Directors, Ferndale Area District Library

I will be resigning my position as Director of Ferndale Area District Library, effective Thursday, December 12th, 2024. I am beyond grateful for the many happy years I spent as an employee at FADL, and will never forget the trust this board placed in me in selecting me to serve in a leadership role.

In no way should my resignation be construed as an indictment of the work or actions of this board. My departure is for personal reasons: I have accepted a Library Director position at the Tecumseh District Library and look forward to moving my family to a small town like the one I grew up in.

Thank you for everything. I have every confidence that the Assistant Director will provide strong leadership while the board searches for a new director.
